This Amended and Restated Synthetic Prime Brokerage Master Confirmation (this "**SPBMC**") is dated as of March 18, 2016. It sets out the terms and conditions on which Nomura International plc ("**Nomura**") agrees to provide synthetic prime brokerage services to Archegos Fund, LP ("**Counterparty**" and, together with Nomura, each a "**Party**" and collectively the "**Parties**").

The Parties previously entered into a Synthetic Prime Brokerage Master Confirmation dated March 22, 2006, as amended and supplemented from time to time (the "Original SPBMC"). The Parties hereby agree to amend and restate the Original SPBMC in its entirety as follows and to have this SPBMC govern the terms of all existing and future SPB Transactions and SPB Transaction Unwinds.

1. Definitions and Interpretation.

- 1.1 The definitions and provisions contained in the 2006 ISDA Definitions (the "**Swap Definitions**") and in the 2002 ISDA Equity Derivatives Definitions (the "**Equity Definitions**", and together with the Swap Definitions, the "**Definitions**"), in each case as published by the International Swaps and Derivatives Association, Inc. ("**ISDA**"), are incorporated into this SPBMC and the documents comprising the Confirmation (as hereinafter defined) with respect to each SPB Transaction entered into hereunder subject as specified herein. Any capitalized term not otherwise defined herein (including in Schedule 1 hereto) shall have the meaning assigned to such term in the Definitions.
- 1.2 In the event of any inconsistency between any of the Swap Definitions, the Equity Definitions, this SPBMC, the SPB General Terms Supplement, an SPB Product Supplement, an SPB Transaction Supplement or the Jurisdiction Supplement (if applicable), the following documents will prevail in relation to the relevant Transaction in the following order of precedence: the SPB Transaction Supplement, the Jurisdiction Supplement (if applicable), the applicable SPB Product Supplement, the SPB General Terms Supplement, this SPBMC, the Equity Definitions and the Swap Definitions.
- 1.3 Any reference to a currency shall have the meaning contained in the 1998 ISDA FX and Currency Option Definitions, as published by ISDA.
- 1.4 This SPBMC supplements, forms part of, and is subject to, the ISDA Master Agreement (including the Schedule and Credit Support Annex) entered into between the Parties and dated as of March 22, 2006, as amended and supplemented from time to time (the "**Agreement**"). All provisions in the Agreement govern this SPBMC, except as expressly modified below.
- 1.5 For the purposes of the Definitions and for the Agreement:

- (a) each SPB Transaction (subject to full or partial termination from time to time pursuant to any SPB Transaction Unwind) shall be a "Transaction" for the purposes of the Agreement and an Equity Swap Transaction for the purposes of the Equity Definitions; and
- (b) the "Confirmation" with respect to each such SPB Transaction shall comprise this SPBMC, the SPB General Terms Supplement, the applicable SPB Product Supplement, the SPB Transaction Supplement relating to that SPB Transaction and, if applicable, the Jurisdiction Supplement.

2. Services.

Nomura may, in its absolute discretion, agree to enter into equity derivative transactions pursuant to this SPBMC. Nomura will not provide any advice (investment, financial, accounting legal or otherwise) in relation to this Agreement or any SPB Transaction or SPB Transaction Unwind.

3. Confirmation Process.

3.1 SPB Transaction Request

- (a) Counterparty may request on any Scheduled Trading Day after the date of this SPBMC that Nomura enter into an SPB Transaction or effect an SPB Transaction Unwind (each an "**SPB Transaction Request**"). Such SPB Transaction Request shall specify, at a minimum, the number of Units, the Underlying(s) and whether such transaction is to be an SPB Transaction (and if so whether a Long SPB Transaction or a Short SPB Transaction) or an SPB Transaction Unwind.
- (b) Any SPB Transaction Request shall constitute an offer made upon the terms of this SPBMC to Nomura to enter into such SPB Transaction or effect such SPB Transaction Unwind. Counterparty may, by notice to Nomura (such notice being effective only when actually received by Nomura), revoke the offer at any time until Nomura accepts the offer.
- (c) At any time whilst the offer constituted by an SPB Transaction Request for an SPB Transaction or an SPB Transaction Unwind is outstanding Nomura may accept such SPB Transaction Request and shall promptly acknowledge acceptance of such SPB Transaction Request subject to the terms described hereinafter.
- (d) Notwithstanding its acceptance of an SPB Transaction Request Nomura, acting in good faith and in a commercially reasonable manner, may reduce the number of Units applicable to such SPB Transaction or SPB

Transaction Unwind (for the avoidance of doubt such reduction may be to zero) if Nomura has not been able to fully hedge such SPB Transaction Request at any time after its acceptance of an SPB Transaction Request until the close of the next following trading session on the relevant market (as determined by the Calculation Agent), such reduction be communicated to Counterparty in the relevant SPB Transaction Supplement.

3.2 SPB Transaction Supplements

- (a) For each SPB Transaction entered into and SPB Transaction Unwind effected on any date Nomura will prepare and make available to Counterparty a transaction supplement substantially in the form appended at Schedule 2 (an "**SPB Transaction Supplement**").
- (b) Following the provision of an SPB Transaction Supplement, Counterparty shall promptly notify Nomura of any disagreements as to any terms. If Counterparty has not contacted Nomura specifying the disagreements within one (1) SPB Business Day of the day on which such SPB Transaction Supplement was made available to it then both parties shall be deemed to have agreed to such SPB Transaction Supplement and, absent manifest error, its terms shall be final and conclusive.

3.3 SPB Transaction Unwinds

Under each SPB Transaction against which an SPB Transaction Unwind is applied (but only in respect of the part of that SPB Transaction which is terminated pursuant to such application), a Valuation Date shall occur (the "**Termination Valuation Date**"), which shall be the Scheduled Trading Day agreed between the Parties or, if no agreement has been reached between the Parties at the time of the relevant SPB Transaction Request then the Termination Valuation Date shall be determined by the Calculation Agent. The Final Price, the Cash Settlement Payment Date and Payment Date with respect to the Units of the relevant SPB Transaction(s) (or part thereof) to be unwound shall be determined in accordance with the provisions of the relevant SPB Series Confirmation. The number of Units the subject of each SPB Transaction affected by an SPB Transaction Unwind shall be amended by the Calculation Agent, to reflect such unwind on each applicable Termination Valuation Date.

3.4 Adjustments and modifications to SPB Transaction Supplements

- (a) If Nomura determines, in its commercially reasonable discretion, that any adjustments or modifications are required to any terms of any SPB Transaction Supplement, Nomura may:

- (i) if the relevant adjustment or modification relates to any Terms, make such adjustment or modification with immediate effect upon five (5) SPB Business Days' written notification to Counterparty of the revised Terms (subject to the terms of any applicable notice periods); or
 - (ii) if the relevant adjustment or modification relates to any other term of an SPB Transaction Supplement, make the relevant adjustment or modification to the relevant SPB Transaction Supplement and make an amended and restated version of such SPB Transaction Supplement available to Counterparty.
- (b) Any notification of amendments to an SPB Transaction made by the Calculation Agent to the Parties, including, without limitation, amendments resulting from any Merger Events, Tender Offers, other Extraordinary Events or Potential Adjustment Events (each a "**Corporate Action**"), will (notwithstanding that such amendments may be notified in an amended and restated SPB Transaction Supplement) not constitute an SPB Transaction Supplement but shall be a notice only (and accordingly clause 3.4(c) shall not apply thereto).
- (c) Following the provision of an amended and restated SPB Transaction Supplement pursuant to Clause 3.40(ii) above, Counterparty shall promptly notify Nomura of any disagreements as to any terms. If Counterparty has not contacted Nomura specifying the disagreements within one (1) SPB Business Day of the day on which such amended and restated SPB Transaction Supplement was made available to it then Counterparty shall be deemed to have agreed to such amended and restated SPB Transaction Supplement and its terms shall be final and conclusive, absent manifest error.

3.5 **Early Termination**

Each party may, at any time in its sole discretion, by giving, Sufficient Prior Written Notice to the other party, terminate with immediate effect any outstanding SPB Transactions at a reasonable market rate determined by the Calculation Agent as if the Counterparty had made and Nomura had accepted an SPB Transaction Request in respect of an SPB Transaction Unwind in relation to those SPB Transactions on the day such notice is effective. "Sufficient Prior Written Notice" means one (1) SPB Business Day prior notice from Counterparty to Nomura and five (5) SPB Business Days prior notice from Nomura to Counterparty.

If Combined Synthetic Payment is specified as "Not Applicable" in the relevant SPB Transaction Supplement, Counterparty shall pay all Synthetic Payment Amounts that have accrued but remain unpaid since the previous Synthetic Payment Date on the following Synthetic Payment Date. If Combined Synthetic Payment is specified as "Applicable" in the relevant SPB Transaction Supplement, then such Synthetic Payment Amounts will be included in the Initial Price and Final Price stated in the relevant SPB Transaction Supplement.

5. Margin.

6. Determinations.

Where any fact, criterion or qualitative issue is required to be determined by Nomura or the Calculation Agent under any Terms, unless otherwise stated herein, Nomura or the Calculation Agent, as applicable, shall exercise such determination in good faith and in its commercially reasonable discretion.

7. No Rights in Underlying.

Hedging Disruption: Applicable

Where the Underlying Jurisdiction is a Closed Market Country, Section 12.9(a)(v) of the Equity Definitions is hereby amended to read as follows:

"Hedging Disruption" means that the Hedging Party is unable, after using commercially reasonable efforts, to either (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transactions or assets it deems necessary to hedge the equity price risk (or any other relevant price risk including, but not limited to, the currency risk) or entering into and performing its obligations with respect to such SPB Transaction (any such transactions or assets, a "**Hedging Party Hedge**"), or (ii) freely realize, recover, receive, repatriate, remit or transfer the proceeds of any Hedging Party Hedge."

Hedging Party: Nomura

Increased Cost of Hedging: Applicable

Where the Underlying Jurisdiction is a Closed Market Country, Section 12.9(a)(vi) of the Equity Definitions is hereby amended to read as follows:

"Increased Cost of Hedging" means that the Hedging Party would, after using commercially reasonable efforts, incur a materially increased cost (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) (a "**Hedging Cost**") to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of a Hedging Party Hedge, or (ii) freely realize, recover, receive, repatriate, remit or transfer out of or into the Local Jurisdiction the proceeds of or any Hedging Party Hedge; provided that any such materially increased amount that is incurred solely due to the deterioration

of the creditworthiness of the Hedging Party shall not be deemed an Increased Cost of Hedging.

Hedging Party:	Nomura
Loss of Stock Borrow:	Applicable

unwinding or the disposal of any such assets or instruments into the Settlement Currency,

then the determination of the Equity Amount, the Cancellation Amount, early termination amount or any other amount, as the case may be, and/or Nomura's obligation to pay such amount, as the case may be, to Counterparty shall be postponed until the Business Day which falls the same number of Business Days after the Business Day on which such FX Disruption Event ceases to exist as a Cash Settlement Payment Date was originally scheduled to be after the relevant Valuation Date.

If the start of an FX Disruption Event coincides with a Disrupted Day, the above provisions shall take effect only after such postponements or adjustments have been made as a result of such Disrupted Day and Nomura's obligation to pay the Equity Amount, the Cancellation Amount, the early termination amount or any other amount, as the case may be, shall continue to be postponed in accordance with the above provisions. Further, the occurrence of an FX Disruption Event will not constitute an Event of Default and no interest or other sum shall accrue to the Counterparty in the event that the payment of the Equity Amount, the Cancellation Amount, the early termination amount or any other amount, as the case may be, is postponed.

If the start of an FX Disruption Event coincides with a Hedging Disruption, then the above provisions shall prevail over the Hedging Disruption provisions.

When an FX Disruption Event is continuing, neither party may effect an SPB Transaction Unwind in relation to the relevant SPB Transactions.

Payment of Unpaid Local Taxes or Excess Local Taxes in a Closed Market Country: If the underlying Jurisdiction is a Closed Market Country, the following provision shall apply;

- (a) If any amount of Local Taxes should have been taken into account but was not taken into account in the determination of any amounts payable by Hedging Party and any Potential Adjustment Events or Extraordinary Events

(as the case may be, "**Unpaid Local Taxes**"), Counterparty shall pay to Nomura an amount equal to such Unpaid Local Taxes as the Calculation Agent may determine on the first SPB Business Day following notification from the Calculation Agent; or if any excess amount of Local Taxes that should not have been taken into account but was taken into account in the determination of any amounts payable by Nomura and any Potential Adjustment Events or Extraordinary Events (as the case may be, "**Excess Local Taxes**"), Nomura shall pay to Counterparty an amount equal to such Excess Local Taxes on the first SPB Business Day following notification from the Calculation Agent.

- (b) Counterparty hereby indemnifies and agrees to hold harmless Nomura or its Affiliates for any Unpaid Local Taxes and agrees to, promptly upon demand by Nomura, reimburse Nomura or its Affiliates on a full indemnity basis for all Unpaid Local Taxes.

The provisions in paragraphs (a) and (b) above relating to Unpaid Local Taxes and Excess Local Taxes shall apply and remain in full force and effect even if the Termination Date has occurred.

As used herein:

"**Local Taxes**" means taxes, duties and similar charges (in each case, including interest and penalties thereon) imposed by the taxing authority in any jurisdiction (including, without limitation, any retroactive or future taxes which in the reasonable belief of Nomura would be imposed by such taxing authority), that would be withheld from or paid or otherwise incurred by Nomura or its Affiliates in connection with its Hedge Positions, excluding any corporate income taxes levied on the overall net income of Nomura without regard to any refunds, credits or relief that Nomura or its Affiliates may be entitled to, including any claim for benefits under an applicable double tax agreement.

- Dividend Conversion: With respect to any Dividend Amount, Cash Distribution Amount or Proceeds Value, such amount shall be as converted (where the Settlement Currency is different from the Underlying Currency) from the Underlying Currency into the Settlement Currency at the Relevant Exchange Rate on the relevant Dividend Receipt Date (subject to the occurrence of an FX Disruption Event) (if applicable).
- Dividend Receipt Date: With respect to each Dividend Amount, Cash Distribution Amount or Proceeds Value the date on which the relevant amount would have been received by the Equity Amount Payer had the Equity Amount Payer been a holder of record of the relevant Underlying on the relevant record date or ex date (as applicable as determined by the Calculation Agent)
- Dividend/Distribution Percentage: As separately specified in the applicable SPB Transaction Supplement for Long SPB Transactions and Short SPB Transactions. The Dividend/Distribution Percentage shall be subject to adjustment in accordance with this SPB General Terms Supplement and the provisions of the SPBMC relating to the Terms.
- Dividend/Distribution Adjustment Event: If the Calculation Agent reasonably determines that there has been any Change in Tax Law which would have the effect of reducing or increasing the amount of either the cash receivable in respect of or tax credit attributable to the dividend or distribution that would be paid by the issuer of the applicable Bonds to a holder that:
- (i) has a taxable presence or is otherwise resident for taxation purposes in the UK; or
 - (ii) if the SPB Transaction is entered into by Nomura through any of its Affiliates as its agent, has a taxable presence or is otherwise resident for taxation purposes in any jurisdiction in which such Affiliate is resident for taxation purposes or otherwise has a taxable presence; or
 - (iii) if Counterparty is the Equity Amount Payer under the SPB Transaction, has a taxable

presence or is otherwise resident for taxation purposes in any jurisdiction in which any Lender is resident for taxation purposes or otherwise has a taxable presence

(a "**Dividend/Distribution Adjustment Event**"), the Calculation Agent may (after taking into account any adjustment made to the Dividend/Distribution Percentage) adjust the Dividend Amount or Cash Distribution Amount (as applicable) with immediate effect by notice in writing to the Parties, or, in the event that any such change is expressed to take effect prior to the date upon which Calculation Agent gives such notice, the Calculation Agent may make such adjustments to the payment obligations of the Parties in respect of the SPB Transaction, in each case as it deems appropriate in order to account for such reduction or increase.

If the SPB Transaction shall have previously terminated (including by reason of a Change in Law Additional Disruption Event), but the amount of any payment previously made or subsequently to be made thereunder is or would be affected by any Dividend/Distribution Adjustment Event, the Counterparty shall pay to Nomura an amount determined by the Calculation Agent to reflect the amount by which any payment with respect to the Dividend Amount would have been decreased on account of such Dividend/Distribution Adjustment Event, including but not limited to costs of funds, payments to any Lender and penalties due to a government or taxing authority (the "**Dividend/Distribution Adjustment Amount**"), and in addition thereto the amount, if any, by which any liability to tax of Nomura is or will be increased as a result of the Dividend/Distribution Adjustment Amount, so that, taking into account the matter giving rise to the payment of the Dividend/Distribution Adjustment Amount, the payment thereof and the time value of money as it affects Nomura in relation to such matters, Nomura shall be in no better nor worse position by reason of the matter giving rise to the payment of the Dividend/Distribution Adjustment Amount having occurred and such payment having been made than

Nomura would have been had the matter giving rise to the payment not occurred and no payment thereof had had to be made.

"Change in Tax Law" means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any tax law (or the official interpretation of any tax law) that occurs after the Parties enter into the relevant SPB Transaction.

Adjustments:

In determining any amount, including but not limited to the Final Price, Equity Amount, Dividend Amount, Full Redemption Amount, Cash Partial Redemption Amount, Non-Cash Partial Redemption Amount, Distribution Amount, Non-Cash Distribution Amount, Proceeds Value and the effect of any Potential Adjustment Event, the Calculation Agent may make any adjustments it considers necessary to account for any costs, commissions, other fees and any Local Taxes that Nomura may be required to or may otherwise incur, or that the Hedging Party may be required to pay or may otherwise incur in connection with its Hedge Positions.

Additional Representations, Agreements and Acknowledgments:

Non-Reliance: Applicable

Agreements and Acknowledgments regarding Hedging Activities: Applicable

Additional Acknowledgments: Applicable

jurisdiction of the incorporation or organisation of the Issuer (a "**Relevant Jurisdiction**"), each jurisdiction in which the Underlying and/or Hedge Positions attributable to Nomura and/or its affiliates are located and/or traded (each, a "**Local Jurisdiction**") or any jurisdiction of tax residence of the Issuer (a "**Tax Residence Jurisdiction**"), information relating to the SPB Transaction (including, without limitation, the name of Counterparty and any dates and amounts specified in the SPB Transaction Supplement) as may be required by such relevant authorities from time to time pursuant to applicable laws and regulations of the Relevant Jurisdiction, the Local Jurisdiction and/or the Tax Residence Jurisdiction (as applicable), provided, however, Nomura or its affiliates shall, to the extent permitted by law, use commercially reasonable efforts to provide counterparty advance notice of any such disclosure (provided further that failure to provide such notice will not be deemed a breach of this SPBMC).

SCHEDULE 4

PRODUCT SUPPLEMENTS

SPB Bonds Supplement

The following terms shall apply where the SPB Transaction Supplement specifies that the SPB Product Type for an SPB Transaction is SPB Bonds.

This SPB Bonds Supplement supplements, forms part of and is subject to the SPBMC and, together with the SPBMC, the SPB General Terms Supplement, the relevant SPB Transaction Supplement (as each such term is defined in the SPBMC) and the Jurisdiction Supplement (if applicable) constitutes a "Confirmation" with respect to the relevant SPB Transaction as referred to in the Agreement. This SPB Bonds Supplement shall be construed in accordance with Clause 1 of the SPBMC.

General Terms:

Issuer:	The Issuer of the Bonds.
Bonds:	Subject to "Additional Provisions – Conversions" below, the Underlying specified in the relevant SPB Transaction Supplement.

Related Exchange: Not Applicable

Equity Amounts payable by Equity Amount Payer:

Equity Amount: Each Equity Amount shall be determined as if this SPB Transaction were a Share Transaction; provided that if the Equity Amount is payable on a Cash Settlement Payment Date falling on or after the Full Redemption Date or the Scheduled Maturity Date, the Equity Amount payable on the corresponding Cash Settlement Payment Date shall be equal to:

- (i) any amounts of principal actually paid by the Issuer in cash to holders of the Bonds in the Relevant Jurisdiction on the Full Redemption Date or Scheduled Maturity Date, as applicable, in respect of Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date or the Scheduled Maturity Date of the Bonds (prior to giving effect to such principal payment), as applicable, minus

- (ii) the Initial Price multiplied by the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date or as of the Scheduled Maturity Date of the Bonds (prior to giving effect to such principal payment), as applicable.

Cash Settlement Payment Dates: Notwithstanding the definition of Cash Settlement Payment Dates in Schedule 1 of the SPMBC, if the Observation Date with respect to the Scheduled Maturity Date or the Full Redemption Date occurs on or prior to the date that would (but for this proviso) have been the final Cash Settlement Payment Date (the "**Scheduled Final Cash Settlement Payment Date**"), such Cash Settlement Payment Date shall not occur, and instead the final Cash Settlement Payment Date shall occur five SPB Business Days following the Scheduled Maturity Date or the Full Redemption Date (as the case may be).

Initial Price: (i) Prior to and on the first Valuation Date, the Initial Price shall be a price per Unit of the relevant Underlying determined by the Calculation Agent as converted (where the Underlying Currency is different from the Settlement Currency) from the Underlying Currency into the Settlement Currency on the Effective Date or relevant Valuation Date, as applicable, using the Relevant Exchange Rate subject to the occurrence of an FX Disruption Event (if applicable); and

(ii) at any time after the first Valuation Date, the Final Price as at the most recent Valuation Date.

The Initial Price shall be inclusive of accrued interest through the Effective Date, unless the Calculation Agent determines that on the Effective Date the Bonds trade exclusive of accrued interest, in which case such Initial Price will be exclusive of accrued interest.

Final Price: The Final Price for any Valuation Date shall be a value per Unit of the relevant Underlying determined by the Calculation Agent as converted (where the Underlying Currency is different from the Settlement

Currency) from the Underlying Currency into the Settlement Currency on the relevant Valuation Date using the Relevant Exchange Rate subject to the occurrence of an FX Disruption Event (if applicable).

The Final Price shall be inclusive of accrued interest through the relevant Valuation Date, unless the Calculation Agent determines that on the Effective Date the Bonds trade exclusive of accrued interest, in which case such Final Price will be exclusive of accrued interest.

Where the Underlying Jurisdiction is Japan, for the purposes of determining the Final Price, the Calculation Agent may take into account any closing special quote per Underlying quoted by the Exchange (*tokubetsu kehaine*).

Valuation Time:	The time selected by the Calculation Agent.
Valuation Dates:	As specified in the relevant SPB Transaction Supplement; provided that any reference to "Scheduled Trading Day" in the definition of Valuation Dates as specified in the relevant SPB Transaction Supplement shall be construed as a reference to "Bond Business Day".
Disrupted Day:	Section 6.4 of the Equity Definitions shall not apply. " Disrupted Day " means any Scheduled Trading Day on which (a) any event that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to effect transactions in or obtain market values for the Bonds or (in the case of a Bond which is a convertible or exchangeable bond) any Underlying Shares has occurred or (b) in the case of a Bond which is a convertible or exchangeable bond, the Exchange fails to open for trading during its regular trading session. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Parties or other Party, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date. Without limiting the obligation of the Calculation Agent to notify the Parties as set forth

in the preceding sentence, failure by the Calculation Agent to notify the Parties of the occurrence of a Disrupted Day shall not affect the validity of the occurrence and effect of such Disrupted Day on any SPB Transaction to which this SPB Bonds Supplement applies.

Consequences of a Disrupted Day:

Section 6.6 of the Equity Definitions shall not apply. If any Valuation Date (other than a Valuation Date occurring pursuant to sub-paragraph (a) of the definition thereof in this SPB Bonds Supplement) is a Disrupted Day, then such Valuation Date shall be the first succeeding Bond Business Day that is not a Disrupted Day; provided that if such Valuation Date has not occurred as of the Valuation Time on the eighth Bond Business Day immediately following the date which, but for the occurrence of the event causing the Disrupted Day, would have been such Valuation Date, then (1) that eighth Bond Business Day shall be deemed to be such Valuation Date, and (2) the Calculation Agent shall determine its good faith estimate of the value of the Bonds (inclusive of accrued interest through such eighth Bond Business Day, unless the Calculation Agent determines that on such day the Bonds then trade exclusive of accrued interest), on that eighth Bond Business Day (and such value shall be the Final Price for such Value Date).

Full Redemption Date:

The date, if any, on which the Issuer pays all holders of the Bonds in the Relevant Jurisdiction in respect of the entire then outstanding principal amount of the Bonds held by such holders in cash (a "**Full Redemption**") in respect of an Observation Date that occurs during the period extending from and including the Effective Date to but excluding the Scheduled Final Cash Settlement Payment Date.

Scheduled Maturity Date:

The date on which the Bonds are scheduled to be redeemed in full (without taking into account any provisions in their terms and conditions relating to the early redemption or acceleration of the Bonds).

Full Redemption Amount:

The amount of principal actually paid by the Issuer in cash on the Full Redemption Date to holders of the Bonds in the Relevant Jurisdiction in respect of Bonds with an outstanding principal amount equal to

the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date.

Synthetic Payment for Full Redemptions:

The Synthetic Payment Notional Amount for the purposes of determining a Synthetic Payment pursuant to the occurrence of a Full Redemption shall be equal to the sum of the Full Redemption Amount and any Proceeds Value determined by the Calculation Agent in connection with such Full Redemption (or that would have been so determined if "Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date" had applied thereto).

Additional Equity Amounts:

Additional Equity Amounts Payer:

As specified in the Consequences of Cash Partial Redemptions provision below.

Additional Equity Amounts Period:

The period which commences on, and includes, the Effective Date and ends on, but excludes, the final Cash Settlement Payment Date.

Additional Equity Amount:

In respect of any Partial Redemption that consists of cash (in whole or in part), the Additional Equity Amount shall be an amount equal to:

- (i) the Cash Partial Redemption Amount; minus
- (ii) the Initial Price as of the Valuation Date immediately preceding the Observation Date for such Cash Partial Redemption multiplied by the portion of the Transaction Face Amount to which such Cash Partial Redemption Amount relates (as determined by the Calculation Agent).

Additional Equity Amounts Payment Dates:

The Additional Equity Amounts Payer shall pay to the other Party any Additional Equity Amount five SPB Business Days following the related Partial Redemption Date, notwithstanding the occurrence of the final Cash Settlement Payment Date (unless the Partial Redemption Date occurs more than six months following the final Cash Settlement Payment Date, in which case the Additional Equity Amount will not be paid).

Partial Redemption:

Any repayments of principal on the Bonds or

redemption of the Bonds that corresponds to Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date for the Partial Redemption, where (i) the Observation Date occurs during the Additional Equity Amounts Period, (ii) such repayment or redemption is expected to be made by the Issuer to holders of the Bonds in the Relevant Jurisdiction, and (iii) such repayment or redemption (a) is all in cash, but is in respect of less than the entire principal amount of the Bonds then outstanding; (b) is comprised partially of cash and partially of securities or assets other than cash, and is in respect of all or any portion of, the principal amount of the Bonds then outstanding; or (c) is comprised solely of securities or assets other than cash, and is in respect of all or any portion of, the principal amount of the Bonds then outstanding.

Cash Partial Redemption Amount: The portion, if any, of a Partial Redemption that consists of cash.

Non-Cash Partial Redemption Amount: The portion, if any, of a Partial Redemption that consists of securities or assets other than cash for which the Observation Date occurs during the Additional Equity Amounts Period, in respect of Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date.

Partial Redemption Date: The date on which the Issuer makes a Partial Redemption.

Consequences of Cash Partial Redemptions: If the Additional Equity Amount is positive, the Equity Amount Payer shall pay the related Additional Equity Amount to the Floating Amount Payer on the relevant Additional Equity Amounts Payment Date.

If the Additional Equity Amount is negative, the Floating Amount Payer shall pay the absolute value of the related Additional Equity Amount to the Equity Amount Payer on the relevant Additional Equity Amounts Payment Date.

Consequences of Non-Cash Partial Redemption: The Calculation Agent shall adjust the terms of the Transaction, reasonably, to account for any Non-Cash Partial Redemption(s), but without giving rise

to an obligation for either Party on account of such Non-Cash Partial Redemption which is a delivery rather than a payment obligation, and subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement.

Synthetic Payment for Partial Redemptions:

Counterparty, shall pay to Nomura a Synthetic Payment in respect of each Additional Equity Amount Payment Date. The Synthetic Payment Notional Amount for the purposes of determining such Synthetic Payment shall be equal to the sum of the Cash Partial Redemption Amount and the cash value of the Non-Cash Partial Redemption Amount, as determined by the Calculation Agent, (or as would have been so determined if "Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date" had applied thereto).

Distribution Amounts:

Distribution Amounts Payer:

Equity Amount Payer

Distribution Amounts Period:

The period that commences on, and includes the Effective Date and ends on, but excludes, the final Cash Settlement Payment Date.

Distribution Amount:

Any and all payments or distributions, including, without limitation, interest and coupon payments and consent fees, but excluding Partial Redemption Amounts or Full Redemption Amounts, that are actually made by the Issuer to holders of the Bonds in the Relevant Jurisdiction in respect of an outstanding principal amount of the Bonds equal to the Transaction Face Amount as of the relevant Observation Date and for which the Observation Date occurs during the Distribution Amounts Period.

Actual Cash Distribution Amount:

The portion of a Distribution Amount, if any, that consists of cash.

Non-Cash Distribution Amount:

That portion of a Distribution Amount, if any, that consists of property other than cash including, without limitation, securities or other non-cash assets.

**Consequences of Actual Cash
Distribution Amounts:**

The Distribution Amounts Payer shall pay the Floating Amount Payer an amount (the "**Cash Distribution Amount**") equal to the product of the applicable Dividend/Distribution Percentage and the Actual Cash Distribution Amount five SPB Business Days following the relevant Distribution Receipt Date, notwithstanding the occurrence of the final Cash Settlement Payment Date (unless the Distribution Receipt Date occurs more than six (6) months following the final Cash Settlement Payment Date, in which case the Cash Distribution Amount will not be paid).

**Consequences of Non-Cash
Distribution Amounts:**

The Calculation Agent shall adjust the terms of the Transaction, effective as of the relevant Distribution Receipt Date, to account for any Non-Cash Distribution Amount(s), subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement.

Distribution Receipt Dates:

In respect of a Distribution Amount, the date on which the payment or distribution by the Issuer in respect of that Distribution Amount would have been received by holders of the Bonds in the Relevant Jurisdiction.

Additional Disruption Events:

Insolvency Filing: Applicable

Additional Provisions:

(a) **Conversions.** This provision shall apply only in respect of Bonds that are convertible or exchangeable bonds. If the Issuer converts the Bonds of holders in the Relevant Jurisdiction, whether pursuant to a mandatory conversion or optional conversion rights of the issuer or a holder, in whole or in part, into any securities or assets other than cash (including, without limitation, any Underlying Shares) (a "**Conversion**"), as of any Observation Date that occurs during the period from and including the Effective Date to but excluding the final Cash Settlement Payment Date, then, subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement:

(i) if such conversion is in respect of less than all of the SPB Bonds

then outstanding, then this SPB Transaction shall become an SPB Transaction with respect to the Bonds and such other securities or such other assets, or any combination of the foregoing, as applicable, and the Calculation Agent shall adjust the terms of such SPB Transaction, as it reasonably deems appropriate, to account for such conversion; and

- (ii) if such conversion is in respect of all of the Bonds then outstanding, then this SPB Transaction shall become an SPB Transaction with respect to such other securities or such other assets, or any combination of the foregoing, as applicable, and the Calculation Agent shall adjust the terms of such SPB Transaction, as it reasonably deems appropriate, to account for such conversion.

- (b) **Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date.** Notwithstanding anything to the contrary in this SPB Bonds Supplement, if the Observation Date for any Non-Cash Distribution Amount, Non-Cash Partial Redemption or Conversion occurs during the period from and including the final Valuation Date to but excluding the final Cash Settlement Payment Date for an SPB Transaction, then in lieu of making adjustments described under the headings "Consequences of Non-Cash Distribution Amounts", "Consequences of Non-Cash Partial Redemptions" and "Conversions", (i) the Calculation Agent shall determine a cash value of the proceeds (the "**Proceeds Value**") that would be received by a holder in the Relevant Jurisdiction of Bonds with an outstanding principal amount equal to the Transaction Face Amount, as of the date that such proceeds are received by holders of the Bonds in the Relevant Jurisdiction (the "**Proceeds Receipt Date**"), and (ii) the Equity Amount Payer shall pay the Proceeds Value to the Floating Amount Payer on the fifth SPB Business Day following the Proceeds Receipt Date, unless the Proceeds Receipt Date occurs more than six months following the final Cash Settlement Payment Date, in which case the Proceeds Value will not be paid.

SPB Shares/Custom Baskets Supplement

The following terms shall apply where the SPB Transaction Supplement specifies that the SPB Product Type for an SPB Transaction is SPB Shares or SPB Custom Baskets.

This SPB Shares/Custom Baskets Supplement supplements, forms part of and is subject to the SPBMC and, together with the SPBMC, the SPB General Terms Supplement, the relevant SPB Transaction Supplement (as each such term is defined in the SPBMC) and the Jurisdiction Supplement (if applicable) constitutes a "Confirmation" with respect to the relevant SPB Transaction as referred to in the Agreement. unwinding or the disposal of any such assets or instruments into the Settlement Currency,

then the determination of the Equity Amount, the Cancellation Amount, early termination amount or any other amount, as the case may be, and/or Nomura's obligation to pay such amount, as the case may be, to Counterparty shall be postponed until the Business Day which falls the same number of Business Days after the Business Day on which such FX Disruption Event ceases to exist as a Cash Settlement Payment Date was originally scheduled to be after the relevant Valuation Date.

If the start of an FX Disruption Event coincides with a Disrupted Day, the above provisions shall take effect only after such postponements or adjustments have been made as a result of such Disrupted Day and Nomura's obligation to pay the Equity Amount, the Cancellation Amount, the early termination amount or any other amount, as the case may be, shall continue to be postponed in accordance with the above provisions. Further, the occurrence of an FX Disruption Event will not constitute an Event of Default and no interest or other sum shall accrue to the Counterparty in the event that the payment of the Equity Amount, the Cancellation Amount, the early termination amount or any other amount, as the case may be, is postponed.

If the start of an FX Disruption Event coincides with a Hedging Disruption, then the above provisions shall prevail over the Hedging Disruption provisions.

When an FX Disruption Event is continuing, neither party may effect an SPB Transaction Unwind in relation to the relevant SPB Transactions.

Payment of Unpaid Local Taxes or Excess Local Taxes in a Closed Market Country: If the underlying Jurisdiction is a Closed Market Country, the following provision shall apply;

- (a) If any amount of Local Taxes should have been taken into account but was not taken into account in the determination of any amounts payable by Hedging Party and any Potential Adjustment Events or Extraordinary Events

(as the case may be, "**Unpaid Local Taxes**"), Counterparty shall pay to Nomura an amount equal to such Unpaid Local Taxes as the Calculation Agent may determine on the first SPB Business Day following notification from the Calculation Agent; or if any excess amount of Local Taxes that should not have been taken into account but was taken into account in the determination of any amounts payable by Nomura and any Potential Adjustment Events or Extraordinary Events (as the case may be, "**Excess Local Taxes**"), Nomura shall pay to Counterparty an amount equal to such Excess Local Taxes on the first SPB Business Day following notification from the Calculation Agent.

- (b) Counterparty hereby indemnifies and agrees to hold harmless Nomura or its Affiliates for any Unpaid Local Taxes and agrees to, promptly upon demand by Nomura, reimburse Nomura or its Affiliates on a full indemnity basis for all Unpaid Local Taxes.

The provisions in paragraphs (a) and (b) above relating to Unpaid Local Taxes and Excess Local Taxes shall apply and remain in full force and effect even if the Termination Date has occurred.

As used herein:

"**Local Taxes**" means taxes, duties and similar charges (in each case, including interest and penalties thereon) imposed by the taxing authority in any jurisdiction (including, without limitation, any retroactive or future taxes which in the reasonable belief of Nomura would be imposed by such taxing authority), that would be withheld from or paid or otherwise incurred by Nomura or its Affiliates in connection with its Hedge Positions, excluding any corporate income taxes levied on the overall net income of Nomura without regard to any refunds, credits or relief that Nomura or its Affiliates may be entitled to, including any claim for benefits under an applicable double tax agreement.

- Dividend Conversion: With respect to any Dividend Amount, Cash Distribution Amount or Proceeds Value, such amount shall be as converted (where the Settlement Currency is different from the Underlying Currency) from the Underlying Currency into the Settlement Currency at the Relevant Exchange Rate on the relevant Dividend Receipt Date (subject to the occurrence of an FX Disruption Event) (if applicable).
- Dividend Receipt Date: With respect to each Dividend Amount, Cash Distribution Amount or Proceeds Value the date on which the relevant amount would have been received by the Equity Amount Payer had the Equity Amount Payer been a holder of record of the relevant Underlying on the relevant record date or ex date (as applicable as determined by the Calculation Agent)
- Dividend/Distribution Percentage: As separately specified in the applicable SPB Transaction Supplement for Long SPB Transactions and Short SPB Transactions. The Dividend/Distribution Percentage shall be subject to adjustment in accordance with this SPB General Terms Supplement and the provisions of the SPBMC relating to the Terms.
- Dividend/Distribution Adjustment Event: If the Calculation Agent reasonably determines that there has been any Change in Tax Law which would have the effect of reducing or increasing the amount of either the cash receivable in respect of or tax credit attributable to the dividend or distribution that would be paid by the issuer of the applicable Bonds to a holder that:
- (i) has a taxable presence or is otherwise resident for taxation purposes in the UK; or
 - (ii) if the SPB Transaction is entered into by Nomura through any of its Affiliates as its agent, has a taxable presence or is otherwise resident for taxation purposes in any jurisdiction in which such Affiliate is resident for taxation purposes or otherwise has a taxable presence; or

presence or is otherwise resident for taxation purposes in any jurisdiction in which any Lender is resident for taxation purposes or otherwise has a taxable presence

(a "**Dividend/Distribution Adjustment Event**"), the Calculation Agent may (after taking into account any adjustment made to the Dividend/Distribution Percentage) adjust the Dividend Amount or Cash Distribution Amount (as applicable) with immediate effect by notice in writing to the Parties, or, in the event that any such change is expressed to take effect prior to the date upon which Calculation Agent gives such notice, the Calculation Agent may make such adjustments to the payment obligations of the Parties in respect of the SPB Transaction, in each case as it deems appropriate in order to account for such reduction or increase.

If the SPB Transaction shall have previously terminated (including by reason of a Change in Law Additional Disruption Event), but the amount of any payment previously made or subsequently to be made thereunder is or would be affected by any Dividend/Distribution Adjustment Event, the Counterparty shall pay to Nomura an amount determined by the Calculation Agent to reflect the amount by which any payment with respect to the Dividend Amount would have been decreased on account of such Dividend/Distribution Adjustment Event, including but not limited to costs of funds, payments to any Lender and penalties due to a government or taxing authority (the "**Dividend/Distribution Adjustment Amount**"), and in addition thereto the amount, if any, by which any liability to tax of Nomura is or will be increased as a result of the Dividend/Distribution Adjustment Amount, so that, taking into account the matter giving rise to the payment of the Dividend/Distribution Adjustment Amount, the payment thereof and the time value of money as it affects Nomura in relation to such matters, Nomura shall be in no better nor worse position by reason of the matter giving rise to the payment of the Dividend/Distribution Adjustment Amount having occurred and such payment having been made than

Nomura would have been had the matter giving rise to the payment not occurred and no payment thereof had had to be made.

"Change in Tax Law" means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any tax law (or the official interpretation of any tax law) that occurs after the Parties enter into the relevant SPB Transaction.

Adjustments:

In determining any amount, including but not limited to the Final Price, Equity Amount, Dividend Amount, Full Redemption Amount, Cash Partial Redemption Amount, Non-Cash Partial Redemption Amount, Distribution Amount, Non-Cash Distribution Amount, Proceeds Value and the effect of any Potential Adjustment Event, the Calculation Agent may make any adjustments it considers necessary to account for any costs, commissions, other fees and any Local Taxes that Nomura may be required to or may otherwise incur, or that the Hedging Party may be required to pay or may otherwise incur in connection with its Hedge Positions.

Observation Date: In respect of a payment under Bonds (a) that are bearer bonds, the date of such payment and (b) that are registered bonds, whichever of the record date for such payment under such Bonds (as specified by the Issuer or in the legal instrument governing the Bonds or as otherwise determined by the Calculation Agent) and the date of such payment that the Calculation Agent determines to be the more appropriate in connection with such Bonds.

Exchange: (a) In respect of Bonds that are not exchangeable or convertible bonds, not applicable; and (b) in respect of Bonds that are exchangeable or convertible bonds, the exchange or quotation system on which the largest volume of Underlying Shares normally trade.

Related Exchange: Not Applicable

Equity Amounts payable by Equity Amount Payer:

Equity Amount: Each Equity Amount shall be determined as if this SPB Transaction were a Share Transaction; provided that if the Equity Amount is payable on a Cash Settlement Payment Date falling on or after the Full Redemption Date or the Scheduled Maturity Date, the Equity Amount payable on the corresponding Cash Settlement Payment Date shall be equal to:

- (i) any amounts of principal actually paid by the Issuer in cash to holders of the Bonds in the Relevant Jurisdiction on the Full Redemption Date or Scheduled Maturity Date, as applicable, in respect of Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date or the Scheduled Maturity Date of the Bonds (prior to giving effect to such principal payment), as applicable, minus

- (ii) the Initial Price multiplied by the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date or as of the Scheduled Maturity Date of the Bonds (prior to giving effect to such principal payment), as applicable.

Cash Settlement Payment Dates: Notwithstanding the definition of Cash Settlement Payment Dates in Schedule 1 of the SPMBC, if the Observation Date with respect to the Scheduled Maturity Date or the Full Redemption Date occurs on or prior to the date that would (but for this proviso) have been the final Cash Settlement Payment Date (the "**Scheduled Final Cash Settlement Payment Date**"), such Cash Settlement Payment Date shall not occur, and instead the final Cash Settlement Payment Date shall occur five SPB Business Days following the Scheduled Maturity Date or the Full Redemption Date (as the case may be).

Initial Price: (i) Prior to and on the first Valuation Date, the Initial Price shall be a price per Unit of the relevant Underlying determined by the Calculation Agent as converted (where the Underlying Currency is different from the Settlement Currency) from the Underlying Currency into the Settlement Currency on the Effective Date or relevant Valuation Date, as applicable, using the Relevant Exchange Rate subject to the occurrence of an FX Disruption Event (if applicable); and

(ii) at any time after the first Valuation Date, the Final Price as at the most recent Valuation Date.

The Initial Price shall be inclusive of accrued interest through the Effective Date, unless the Calculation Agent determines that on the Effective Date the Bonds trade exclusive of accrued interest, in which case such Initial Price will be exclusive of accrued interest.

Final Price: The Final Price for any Valuation Date shall be a value per Unit of the relevant Underlying determined by the Calculation Agent as converted (where the Underlying Currency is different from the Settlement

Currency) from the Underlying Currency into the Settlement Currency on the relevant Valuation Date using the Relevant Exchange Rate subject to the occurrence of an FX Disruption Event (if applicable).

The Final Price shall be inclusive of accrued interest through the relevant Valuation Date, unless the Calculation Agent determines that on the Effective Date the Bonds trade exclusive of accrued interest, in which case such Final Price will be exclusive of accrued interest.

Where the Underlying Jurisdiction is Japan, for the purposes of determining the Final Price, the Calculation Agent may take into account any closing special quote per Underlying quoted by the Exchange (*tokubetsu kehaine*).

Valuation Time:

The time selected by the Calculation Agent.

Valuation Dates:

As specified in the relevant SPB Transaction Supplement; provided that any reference to "Scheduled Trading Day" in the definition of Valuation Dates as specified in the relevant SPB Transaction Supplement shall be construed as a reference to "Bond Business Day".

Disrupted Day:

Section 6.4 of the Equity Definitions shall not apply. "**Disrupted Day**" means any Scheduled Trading Day on which (a) any event that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to effect transactions in or obtain market values for the Bonds or (in the case of a Bond which is a convertible or exchangeable bond) any Underlying Shares has occurred or (b) in the case of a Bond which is a convertible or exchangeable bond, the Exchange fails to open for trading during its regular trading session. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Parties or other Party, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date. Without limiting the obligation of the Calculation Agent to notify the Parties as set forth

in the preceding sentence, failure by the Calculation Agent to notify the Parties of the occurrence of a Disrupted Day shall not affect the validity of the occurrence and effect of such Disrupted Day on any SPB Transaction to which this SPB Bonds Supplement applies.

Consequences of a Disrupted Day:

Section 6.6 of the Equity Definitions shall not apply. If any Valuation Date (other than a Valuation Date occurring pursuant to sub-paragraph (a) of the definition thereof in this SPB Bonds Supplement) is a Disrupted Day, then such Valuation Date shall be the first succeeding Bond Business Day that is not a Disrupted Day; provided that if such Valuation Date has not occurred as of the Valuation Time on the eighth Bond Business Day immediately following the date which, but for the occurrence of the event causing the Disrupted Day, would have been such Valuation Date, then (1) that eighth Bond Business Day shall be deemed to be such Valuation Date, and (2) the Calculation Agent shall determine its good faith estimate of the value of the Bonds (inclusive of accrued interest through such eighth Bond Business Day, unless the Calculation Agent determines that on such day the Bonds then trade exclusive of accrued interest), on that eighth Bond Business Day (and such value shall be the Final Price for such Value Date).

Full Redemption Date:

The date, if any, on which the Issuer pays all holders of the Bonds in the Relevant Jurisdiction in respect of the entire then outstanding principal amount of the Bonds held by such holders in cash (a "**Full Redemption**") in respect of an Observation Date that occurs during the period extending from and including the Effective Date to but excluding the Scheduled Final Cash Settlement Payment Date.

Scheduled Maturity Date:

The date on which the Bonds are scheduled to be redeemed in full (without taking into account any provisions in their terms and conditions relating to the early redemption or acceleration of the Bonds).

Full Redemption Amount:

The amount of principal actually paid by the Issuer in cash on the Full Redemption Date to holders of the Bonds in the Relevant Jurisdiction in respect of Bonds with an outstanding principal amount equal to

the Transaction Face Amount as of the Observation Date relating to the Full Redemption Date.

Synthetic Payment for Full Redemptions:

The Synthetic Payment Notional Amount for the purposes of determining a Synthetic Payment pursuant to the occurrence of a Full Redemption shall be equal to the sum of the Full Redemption Amount and any Proceeds Value determined by the Calculation Agent in connection with such Full Redemption (or that would have been so determined if "Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date" had applied thereto).

Additional Equity Amounts:

Additional Equity Amounts Payer:

As specified in the Consequences of Cash Partial Redemptions provision below.

Additional Equity Amounts Period:

The period which commences on, and includes, the Effective Date and ends on, but excludes, the final Cash Settlement Payment Date.

Additional Equity Amount:

In respect of any Partial Redemption that consists of cash (in whole or in part), the Additional Equity Amount shall be an amount equal to:

- (i) the Cash Partial Redemption Amount; minus
- (ii) the Initial Price as of the Valuation Date immediately preceding the Observation Date for such Cash Partial Redemption multiplied by the portion of the Transaction Face Amount to which such Cash Partial Redemption Amount relates (as determined by the Calculation Agent).

Additional Equity Amounts Payment Dates:

The Additional Equity Amounts Payer shall pay to the other Party any Additional Equity Amount five SPB Business Days following the related Partial Redemption Date, notwithstanding the occurrence of the final Cash Settlement Payment Date (unless the Partial Redemption Date occurs more than six months following the final Cash Settlement Payment Date, in which case the Additional Equity Amount will not be paid).

Partial Redemption:

Any repayments of principal on the Bonds or

redemption of the Bonds that corresponds to Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date for the Partial Redemption, where (i) the Observation Date occurs during the Additional Equity Amounts Period, (ii) such repayment or redemption is expected to be made by the Issuer to holders of the Bonds in the Relevant Jurisdiction, and (iii) such repayment or redemption (a) is all in cash, but is in respect of less than the entire principal amount of the Bonds then outstanding; (b) is comprised partially of cash and partially of securities or assets other than cash, and is in respect of all or any portion of, the principal amount of the Bonds then outstanding; or (c) is comprised solely of securities or assets other than cash, and is in respect of all or any portion of, the principal amount of the Bonds then outstanding.

Cash Partial Redemption Amount: The portion, if any, of a Partial Redemption that consists of cash.

Non-Cash Partial Redemption Amount: The portion, if any, of a Partial Redemption that consists of securities or assets other than cash for which the Observation Date occurs during the Additional Equity Amounts Period, in respect of Bonds with an outstanding principal amount equal to the Transaction Face Amount as of the Observation Date.

Partial Redemption Date: The date on which the Issuer makes a Partial Redemption.

Consequences of Cash Partial Redemptions: If the Additional Equity Amount is positive, the Equity Amount Payer shall pay the related Additional Equity Amount to the Floating Amount Payer on the relevant Additional Equity Amounts Payment Date.

If the Additional Equity Amount is negative, the Floating Amount Payer shall pay the absolute value of the related Additional Equity Amount to the Equity Amount Payer on the relevant Additional Equity Amounts Payment Date.

Consequences of Non-Cash Partial Redemption: The Calculation Agent shall adjust the terms of the Transaction, reasonably, to account for any Non-Cash Partial Redemption(s), but without giving rise

to an obligation for either Party on account of such Non-Cash Partial Redemption which is a delivery rather than a payment obligation, and subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement.

Synthetic Payment for Partial Redemptions:

Counterparty, shall pay to Nomura a Synthetic Payment in respect of each Additional Equity Amount Payment Date. The Synthetic Payment Notional Amount for the purposes of determining such Synthetic Payment shall be equal to the sum of the Cash Partial Redemption Amount and the cash value of the Non-Cash Partial Redemption Amount, as determined by the Calculation Agent, (or as would have been so determined if "Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date" had applied thereto).

Distribution Amounts:

Distribution Amounts Payer:

Equity Amount Payer

Distribution Amounts Period:

The period that commences on, and includes the Effective Date and ends on, but excludes, the final Cash Settlement Payment Date.

Distribution Amount:

Any and all payments or distributions, including, without limitation, interest and coupon payments and consent fees, but excluding Partial Redemption Amounts or Full Redemption Amounts, that are actually made by the Issuer to holders of the Bonds in the Relevant Jurisdiction in respect of an outstanding principal amount of the Bonds equal to the Transaction Face Amount as of the relevant Observation Date and for which the Observation Date occurs during the Distribution Amounts Period.

Actual Cash Distribution Amount:

The portion of a Distribution Amount, if any, that consists of cash.

Non-Cash Distribution Amount:

That portion of a Distribution Amount, if any, that consists of property other than cash including, without limitation, securities or other non-cash assets.

Consequences of Actual Cash
Distribution Amounts:

The Distribution Amounts Payer shall pay the Floating Amount Payer an amount (the "**Cash Distribution Amount**") equal to the product of the applicable Dividend/Distribution Percentage and the Actual Cash Distribution Amount five SPB Business Days following the relevant Distribution Receipt Date, notwithstanding the occurrence of the final Cash Settlement Payment Date (unless the Distribution Receipt Date occurs more than six (6) months following the final Cash Settlement Payment Date, in which case the Cash Distribution Amount will not be paid).

Consequences of Non-Cash
Distribution Amounts:

The Calculation Agent shall adjust the terms of the Transaction, effective as of the relevant Distribution Receipt Date, to account for any Non-Cash Distribution Amount(s), subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement.

Distribution Receipt Dates:

In respect of a Distribution Amount, the date on which the payment or distribution by the Issuer in respect of that Distribution Amount would have been received by holders of the Bonds in the Relevant Jurisdiction.

Additional Disruption Events:

Insolvency Filing: Applicable

Additional Provisions:

- (a) **Conversions.** This provision shall apply only in respect of Bonds that are convertible or exchangeable bonds. If the Issuer converts the Bonds of holders in the Relevant Jurisdiction, whether pursuant to a mandatory conversion or optional conversion rights of the issuer or a holder, in whole or in part, into any securities or assets other than cash (including, without limitation, any Underlying Shares) (a "**Conversion**"), as of any Observation Date that occurs during the period from and including the Effective Date to but excluding the final Cash Settlement Payment Date, then, subject to the "Non-Cash Distributions and Redemptions Occurring Following the Final Valuation Date" provision of this SPB Bonds Supplement:
 - (i) if such conversion is in respect of less than all of the SPB Bonds

then outstanding, then this SPB Transaction shall become an SPB Transaction with respect to the Bonds and such other securities or such other assets, or any combination of the foregoing, as applicable, and the Calculation Agent shall adjust the terms of such SPB Transaction, as it reasonably deems appropriate, to account for such conversion; and

- (ii) if such conversion is in respect of all of the Bonds then outstanding, then this SPB Transaction shall become an SPB Transaction with respect to such other securities or such other assets, or any combination of the foregoing, as applicable, and the Calculation Agent shall adjust the terms of such SPB Transaction, as it reasonably deems appropriate, to account for such conversion.

- (b) **Non-Cash Distributions, Redemptions and Conversions Occurring Following the Final Valuation Date.** Notwithstanding anything to the contrary in this SPB Bonds Supplement, if the Observation Date for any Non-Cash Distribution Amount, Non-Cash Partial Redemption or Conversion occurs during the period from and including the final Valuation Date to but excluding the final Cash Settlement Payment Date for an SPB Transaction, then in lieu of making adjustments described under the headings "Consequences of Non-Cash Distribution Amounts", "Consequences of Non-Cash Partial Redemptions" and "Conversions", (i) the Calculation Agent shall determine a cash value of the proceeds (the "**Proceeds Value**") that would be received by a holder in the Relevant Jurisdiction of Bonds with an outstanding principal amount equal to the Transaction Face Amount, as of the date that such proceeds are received by holders of the Bonds in the Relevant Jurisdiction (the "**Proceeds Receipt Date**"), and (ii) the Equity Amount Payer shall pay the Proceeds Value to the Floating Amount Payer on the fifth SPB Business Day following the Proceeds Receipt Date, unless the Proceeds Receipt Date occurs more than six months following the final Cash Settlement Payment Date, in which case the Proceeds Value will not be paid.
